FABULOUS FLIGHT OUTFIT

Start by choosing a comfortable yet fashionable outfit that lets your black girl magic shine through. Think stretchy leggings, a cozy sweater or a stylish tracksuit. Don't forget to accessorize with a fabulous pair of kicks or slip-on shoes for easy airport navigation. **Comfort is key, but make it fashion, sis!**

SKIN CARE GODDESS

You know we have to keep our melanin poppin', so pack a small skincare kit to keep your skin hydrated and glowing throughout the flight. Include a travel-size facial mist, hydrating sheet masks, lip balm, and a moisturizer. **Our skin is about to be snatched and refreshed, even at 30,000 feet!**

ENTERTAIN THE DIVA

Load up your phone, tablet or laptop with your favorite tunes, podcasts, or audiobooks that celebrate black excellence. Don't forget to download some binge-worthy shows and movies to keep you entertained during the flight. Time to sit back and enjoy your personalized in-flight entertainment, Diva! **Check out these Amazon Prime Movies.**

SNACK IN STYLE

Pack some delicious, healthy snacks to keep your energy levels up and your taste buds happy. Think nuts, dried fruits, or a homemade trail mix that represents our culture and flavors. Stay hydrated too, so bring a reusable water bottle you can refill at the airport. **Slay that snack game, girl!**

COMFY & COZY VIBES

Bring a travel pillow, eye mask, and a soft blanket to create your own cozy space in the sky. This is your chance to show off that cute, personalized pillow or a blanket with a bold African print. **Get ready to snooze like the Diva you are!**

MINDFUL MEDITATIONS

Before boarding, download some meditation or mindfulness apps that focus on empowering black women. Use these tools to help you relax and center yourself during the flight. We're all about that self-care and mental wellness! **Our favorite app: Calm.**

PASSPORT PROTECTION

Last but not least, protect that passport in a fabulous holder that screams black girl magic. Make it a bold, vibrant pattern or a chic, personalized design that represents your unique style. We're all about making a statement! **Check out our favorite covers.**
